## York Hospital Scholarship

York Hospital and Kittery Recreation have established a scholarship program for participants who do not have the financial means to pay the recreation program fees. The financial assistance for scholarships is provided by York Hospital. Kittery Recreation welcomes all Kittery residents to participate in our programs, leagues, and activities. Due to the generous donation from York Hospital, Kittery Recreation may be able to provide reduced fees to those who qualify. Applications should be completed prior to the start of the program, however, scholarship fund availability and program registrations cannot be guaranteed. Upon review by the Recreation Director, qualified participants may receive assistance with program fees. All requests will remain confidential. Application forms are available at the Recreation Office or on line at [www.kittery.org](http://www.kittery.org).

*For Kittery Recreation call 207-439-3800 or visit us at [www.kittery.org](http://www.kittery.org)*

## ***How to Watch a Good Program Die***

Nothing kills a recreation program faster than those who wait until the last minute to register. There is always a point when a program must be cancelled if there is insufficient registration. All programs require a level of scheduling, staffing and financial commitment. **Please register early!**

**Review this booklet and sign up for the items that you have selected as things you want to do and sign up EARLY!!! We do not like having to cancel programs!**

## ***Confirmation***

We do not send confirmation notices. We will notify you if a program is cancelled or changed. If it is cancelled a full refund will be given.

## ***Ideas or Instructors***

Do you want to see a program offered or would you like to become one of our instructors? Go on our web site and print off an instructor application. We are always looking to offer what you want so help us out. Thanks. [www.kittery.org](http://www.kittery.org)

# Major Announcement

## Fall 2010 Relocation of Kittery Recreation

### Kittery Recreation Department is on the move!

Starting in September, we will be located at Frisbee School! At the Town Council's meeting on January 11th the Council voted 7-0 to permit this department to move its operations to the Frisbee School location starting July 1, 2010 until construction begins on the facility. If you are willing to assist us in doing some minor, cosmetics such as painting, cleaning or moving over the summer, please contact Janice Grady @ 439-3800 or [jgrady@kitteryrecreation.com](mailto:jgrady@kitteryrecreation.com). Thank you in advance for your generosity. There is much work to be done.

As part of this move the department will be opening a preschool program. This program will accommodate those families who need affordable preschool education for their three and four year olds. Our major goal is to provide affordable preschool education to all families in Kittery and we will accomplish this by having a sliding fee scale based on family income. This is very exciting and we look forward to assisting you in providing more preschoolers with early education!

In order for this department to invest in all the necessary classroom furnishings and supplies, and hire staff, registration needs to be completed in the spring. Do not wait too long to register, there is limited space. Registration packets will be available on February 1st.

Registration for the preschool program will begin on March 1st from 5:00-7:00 p.m. at the Kittery Rec. Cole Street location and will be filled on a first come first serve basis.

*For Kittery Recreation call 207-439-3800 or visit us at [www.kittery.org](http://www.kittery.org)*

## *Alternatives For Enrichment* Afterschool Program at Frisbee School

Safe Alternatives for Enrichment is our afterschool program for children in grades K-8. We offer children the opportunity to play, explore, and create in a supervised and nurturing environment. SAFE is a licensed program, operating under the guidelines set by the State of Maine. SAFE is held at Frisbee School and is open Monday thru Friday 2-6:00 p.m. Children attending from Mitchell or Shapleigh are bussed to Frisbee at the end of the school day. SAFE offers homework time, outdoor/indoor recreation, and arts & crafts on a daily basis. This is a great place for your child to interact with others, learn new skills, and stay safe after school hours end. The SAFE Program is also open on half days, parent/teacher conference days, and vacation days. All children need to be registered with the program in order to participate in program activities. You can register your child for the SAFE Program at the Recreation Center located at 2 Cole Street. **The S.A.F.E. Program is closed on snow days. A registration fee of \$25 per child is due and a payment for the current session must be paid in full at the time of registering your child. This will guarantee your child's spot at the program. A registration packet is available at the Recreation Office, 2 Cole Street, Kittery or call 439-3800.**

Dawn Sciascia is the S.A.F.E. Coordinator. She is an Eliot resident and mother of two small children. Dawn has seventeen years experience working with children. After receiving her BA in Elementary Education in 1998 she moved to Oregon taught kindergarten and ran a summer camp and afterschool program. Prior to working for the S.A.F.E. Program she enjoyed being a mother and working as the lead aftercare teacher for the Tidewater School in Eliot. She loves singing, dancing, creative art and sports.

### Fundraiser for Scholarships

S.A.F.E. Afterschool Program will be selling calendars to benefit the Kittery Recreation Scholarship Fund. The calendars will be sold from March 1-April 30th. The families at the S.A.F.E. Program have worked very hard to assist people in need and this year will be even better. Anyone wanting to help out by selling calendars, please call Kittery Recreation and we will set you up. Thanks in advance! Our hope is that from this experience, the children will continue such efforts throughout their lives.

#### Here is how it works!

Each calendar will be sold for \$10

Everyone who has purchased a calendar will have his or her name entered into a drawing each day, during the month of May a name will be drawn

The name drawn will win that daily prize

Winning names will be re-entered for subsequent drawings for more chances to win.

Help us help our neighbors and friends who need assistance with year round and summer daycare expenses at the S.A.F.E. Summer Camp, Adventure Program or an adult that would like to go on one of our events that otherwise would not be able to do that due to a fixed income.

## **Project Update from Recreation Director**

Now that Frisbee School is indeed vacated by the School Department, that site will be studied by the Frisbee Revitalization Committee. They were appointed in August. Their charge is to seek ideas from the public on Frisbee reuse. After deliberation, the committee will develop a plan for reuse, including a timeline, identification of programs and offices proposed for location in the complex, a design plan, and approximate project cost. Kittery Recreation will relocate over the summer to Frisbee and use the annex portion until the renovations commence.

## **How can you help?**

Become an annual member of Friends of Kittery Recreation by paying dues of \$10 regular or \$25 family or \$300 for business or corporation. This entitles you to vote at the annual meeting and keep abreast of what is happening.

## **Leaves**

Inscribed leaves for our wall mounted Giving Tree are still available for the "Wall of Honor" to be permanently mounted in the new facility lobby. These leaves make a perfect gift for any occasion. Donation: \$25 for a leaf; Silver leaf is \$100; and a Blossom is \$300. Is your name on the wall yet? The wall is on display at the Community Center.

## **Printer/Toner Cartridges**
